## ASSEMBLE QUILT CENTER

Measurements include ¼" seam allowances. Sew with right sides together unless otherwise stated.

- 1) Cut and piece light green print 1½×42" strips to make:
  - 2—1½×56½" sashing strips
- 2) Lay out assorted cream print 10½" squares and light green print 1½×10½" and 1½×56½" sashing strips in three rows (**Quilt Center Assembly Diagram**).
- 3) Join squares and sashing strips in middle row. Press seams toward sashing strips. Add remaining sashing strips to long edges to make quilt center. Press seams toward sashing strips. The quilt center should be 12½×56½" including seam allowances.

## APPLIQUÉ QUILT CENTER

- 1) Referring to **Appliqué Placement Diagram**, position assorted print and white tone-on-tone A–L pieces atop quilt center. Be sure to keep A pieces at least ½" from quilt center long edges. Following manufacturer's instructions, fuse all pieces in place.
- 2) Using threads that match the appliqué pieces, machine-zigzag-stitch around appliqué edges.

## APPLIQUÉ BLOCKS

- 1) Center a purple, orange, yellow, pink, or teal print M appliqué atop a green print 4½" square (**Block A Appliqué Diagram**). Fuse in place to make a Block A. Repeat to make 33 A blocks total.
- 2) Place a yellow print N body piece atop a remaining green print 4½" square (**Block B Appliqué Diagram**). Position orange print O beak piece and P leg piece, tucking

top of leg piece under body. Fuse all pieces in place. Using a fine-tip permanent marker, add eyes on N body to make a Block B. Repeat to make five B blocks total.

- 3) Using threads that match the appliqué pieces, machine-zigzag-stitch around appliqué edges in A and B blocks.

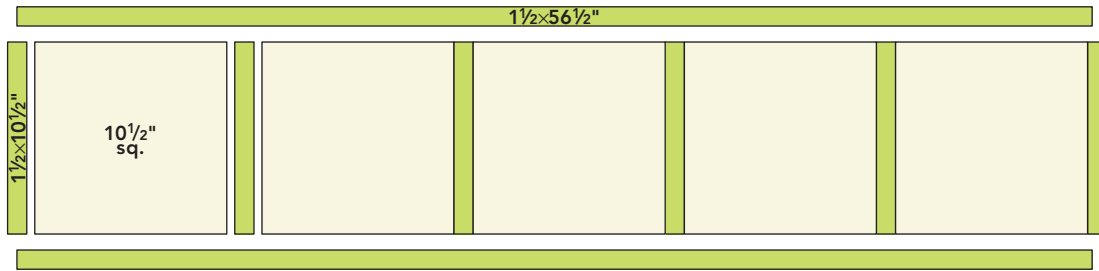

### ASSEMBLE AND ADD BORDER

- 1) Referring to **Table Runner Assembly Diagram**, sew together 12 A blocks and two B blocks to make a long border strip, noting orientation of B blocks. Press seams in one direction. The long border strip should be  $4\frac{1}{2} \times 56\frac{1}{2}$ " including seam allowances. Repeat to make a second long border strip.
- 2) Sew together five A blocks to make a short left-hand border strip. Join remaining A blocks and B block to make a short right-hand border strip, noting orientation of B block. Press all seams in one direction. Each short border strip should be  $4\frac{1}{2} \times 20\frac{1}{2}$ " including seam allowances.
- 3) Sew a long border strip to each long edge of quilt center, noting orientation of B blocks. Join short border strips to remaining edges to complete quilt top. Press all seams toward quilt center.

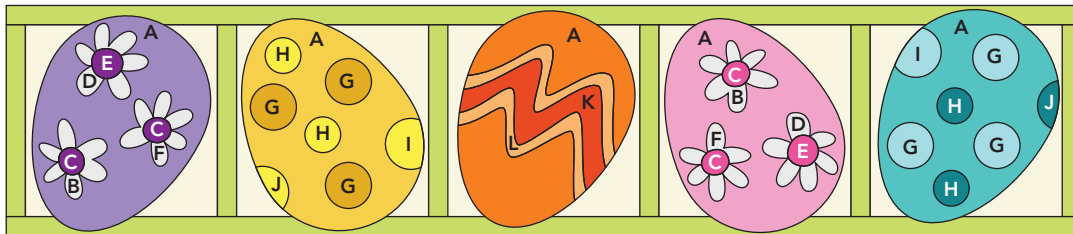

### FINISH QUILT
